

Australia's aged care workforce

Australia will need almost **100,000** new aged care workers in the next **4** years.

The Aged Care Workforce in 2016¹

+ Extra workers needed 2019 to 2023²

¹2016 Census ²<https://mccrindle.com.au/wp-content/uploads/2018/04/The-Aged-Care-Puzzle-2017.pdf>

Between 2016 and 2023 the aged care workforce needs to grow by 20% in every state and territory.

Older Australians can't wait for the Royal Commission report.

We need action now. Let's get aged care right for everyone.
